I realize there is an extra charge of \$10 for anyone who does not register (including payment) prior to the first class. You want to check-in people as efficiently as possible, which is much easier if some administrative details can be taken care of in advance.

I also realize there is a full refund (less a \$50 processing charge and less the price of any SharpNotes® provided early) if written request received by you at least two weeks prior to start of my course, but no full refund after that unless application rejected. If written request received at least two weeks prior to the start of one of the parts in a combination, a partial incremental refund (less a \$50 processing charge) will normally be provided for that part, but depends on the circumstances and is at the discretion of SHARP SEMINARS In NY. I realize that any refund will be paid to my employer if they paid you directly and/or if I request a receipt for payment.

For each part I am taking, I have indicated the desired section above. I understand that in addition to the scheduled classes, the fee will entitle me to the revised and updated copies of Dr. Sharp's ten CFA Level II 2012 SharpNotes®, SHARP CFA Level II 2012 Weekly Take-Home Quizzes®, and/or SHARP CFA Level II Sample Questions® that are appropriate for the part(s) I am taking. I agree that it is important to allocate sufficient time and make a conscientious effort, both in class and outside of class.

I also understand that if unfortunately I do not pass the CFA Level II 2012 exam, despite taking the Sharp CFA Level II 2012 Course (and do not withdraw), I can deduct 40% to 50% from the price of the Sharp CFA Level II 2013 Course (40% discount for one part, or 50% discount for both parts).
