WHY DO WE BELIEVE SHARP CFA LEVEL II COURSE IN NEW YORK IS THE BEST?

For the Sharp CFA Level II Course, CFA Level II candidates normally come from New York, New Jersey, Connecticut, and Pennsylvania. Some have a round-trip commute of more than four hours for each class. Why is attending the Sharp CFA Level II Course so important for these students? Ask our students (or see student comments, or consider the twelve reasons indicated below and on the next page). Most of our Sharp CFA Level II students have continued from our Sharp CFA Level I Course. They show their enthusiasm for our courses by going on to take our Sharp CFA Level II Course. However, the CFA Level II candidates who typically praise our Sharp CFA Level II Course the most, have previously attended other CFA courses and say that our course is much better.

The June 2, 2012 CFA Level II Exam is only three months away, but you still have time to prepare for this difficult Exam. We have Sharp CFA Level II 2012 Course sections that start in February.

We believe the more you know about CFA Level II courses, the greater the likelihood that you will attend the Sharp CFA Level II Course. Twelve important reasons for the high praise of the Sharp CFA Level II Course are indicated below and on the next page:

1. PASS OR MONEY BACK (if terms and conditions satisfied)

CFA Level II Candidate who takes the 15-Class Session Sharp Comprehensive Lecture/Workshop For the June 2012 CFA Level II Exam and still fails the June 2012 CFA Level II Exam will receive a refund (refund will be paid to employer if employer pays directly and/or there is a request for receipt) of the amount paid for this 15-Class Session Lecture/Workshop (minus a \$400 charge for materials provided) if the following terms and conditions are met: (1) Attend entire class for all 15 Class Sessions; (2) Turn in each of the 14 Weekly Take-Home Quizzes the following class, and achieve an average score of 70% or more; (3) Take the In-Class Practice Exam at the scheduled time, and achieve a score of 70% or more; and (4) Take the June 2012 CFA Level II Exam and fail (and provide copy of results to SHARP SEMINARS within 30 days after results provided by CFA Institute).

2. **FLEXIBILITY TO SWITCH CLASS DAYS**
Candidates in our Sharp CFA Level II Comprehensive Lecture/Workshop have the flexibility to switch class days (among Tuesday evening, Sunday afternoon, and Sunday evening) in order to avoid missing a class. Also, candidates in our Sharp CFA Level II Sample Questions Review have the flexibility to switch class days (between Wednesday evening and Sunday afternoon).
3. **PROVIDE DISCIPLINE AND MOTIVATION FOR CFA® LEVEL II CANDIDATES**
Your competition at CFA Level II is much stronger than at CFA Level I, since most CFA candidates who enroll at CFA Level I do not pass! Also, CFA Level II Exam is difficult. CFA Level II 2011 pass rate was only 43% (for those who actually took the Exam). But, typically more than 25% give up and do not even take the CFA Level II Exam (and are not included in determination of pass/fail rate reported by CFA Institute). We believe our Sharp CFA Level II Course is an important aid in providing discipline for CFA Level II candidates, and motivation for them to follow through with their exam preparation and actually take the CFA Level II Exam. Clearly, a number of factors affect the success of a CFA Level II candidate on the CFA Level II Exam, and their satisfaction with a CFA Level II Exam Preparation Course. However, in recent years, the candidate reported level of satisfaction for those who took the Sharp CFA Level II Comprehensive Lecture/Workshop has been high (based on responses to questionnaire).
4. **MORE THAN 20 YEARS OF CFA® EXAM PREPARATION EXPERIENCE**
Dr. Sharp is the instructor for all Sharp CFA Level II class sessions. He is a CFA charterholder (also CMA and CFM) who now devotes more than full time efforts to SHARP SEMINARS In NY. Dr. Sharp was a Professor Of Finance & Assistant Finance Chairman and taught very popular MBA courses in Financial Statement Analysis, Investment Analysis, and Portfolio Management. He previously taught courses in Financial Accounting (basic, intermediate, and advanced), Economics (graduate level), and Quantitative Analysis (undergraduate and graduate) at Rutgers, NYU Stern School, and Pace Lubin School. He understands all of the CFA Level II topics, their interrelationships, and how they need to be integrated for CFA Level II exam questions. Dr. Sharp has taught weekly CFA courses in New York longer than anyone else (more than twenty years with SHARP SEMINARS In NY). Dr. Sharp has published many articles and spoken at many conferences. He is in Who's Who in America, Who's Who in Finance, and Who's Who in American Education. He has received several ICFA Certificates Of Achievement for participation in the CFA Continuing Education Program. In his spare time, Dr. Sharp manages multi-million dollar stock portfolios. He also manages the Professor J. Franklin Sharp Charitable Foundation. Dr. Sharp has been honored by Purdue University as an OUTSTANDING ALUMNUS.
5. **SHARP TEN CFA® LEVEL II 2012 SHARPNOTES®** **UPDATED FOR 2012.**
Ten CFA Level II 2012 SharpNotes® [(1) CFA Level II Quant, (2) CFA Level II Econ, (3) CFA Level II Accounting, (4) CFA Level II Corporate Finance, (5) CFA Level II Equity, (6) CFA Level II Fixed Income, (7) CFA Level II Portfolio, (8) CFA Level II Derivatives, (9) CFA Level II Ethics, and (10) CFA Level II Alternative Investments] will allow CFA Level II topics to be efficiently and effectively covered in class. Review of new CFA Level II curriculum assignments (with new Learning Outcome Statement objectives) will be included. New Problems and Exercises based on the new assignments will also be included. Ask previous students about the value of the CFA Level II SharpNotes in preparing for the CFA Level II Exam. After taking our Sharp CFA Level II Comprehensive Lecture/Workshop, most of our successful CFA Level II students say they use the SharpNotes extensively in their final preparation for CFA Level II exam (along with our Sharp Sample Questions®). These SharpNotes will be provided (at no extra cost) to candidates in our Sharp CFA Level II 2012 Comprehensive Lecture/Workshop.
6. **SHARP CFA® LEVEL II 2012 SELF-TESTING EXERCISES®** **UPDATED FOR 2012.**
These Exercises will allow additional reinforcement of CFA Level II topics outside of class. There will be about 3,000 CFA oriented self-testing multiple choice exercises (with answers), designed to cover important CFA Level II topics. The Exercises will be included in the CFA Level II 2012 SharpNotes®. Exercises are updated each year to include new questions based on the new CFA Level II curriculum assignments (with new Learning Outcome Statement objectives — a lot of new CFA Level II material every year). We strongly recommend that you thoroughly work the Exercises.
7. **SHARP CFA® LEVEL II 2012 TAKE-HOME QUIZZES®** **UPDATED FOR 2012.**
Dr. Sharp will develop fourteen weekly take-home quizzes for the Sharp CFA Level II 2012 Comprehensive Lecture/Workshop. Each weekly take-home quiz will cover important topics from that week. Having a thorough understanding of the topics on these weekly take-home quizzes likely is crucial for success on the CFA Level II Exam.
8. **SHARP CFA® LEVEL II 2012 SAMPLE QUESTIONS®** **UPDATED FOR 2012.**
Dr. Sharp will develop about 1,500 additional CFA Level II 2012 Sample Questions that will be in our SHARP CFA® Level II 2012 Sample Questions® workbook. This workbook will have one or more Sample Questions covering each of the more than 600 CFA Institute CFA Level II 2012 Learning Outcome Statements. These questions summarize what you are assigned for your CFA Level II Exam. Answers and worked-out solutions will be provided for all questions. This workbook can provide an excellent final review for the CFA Level II Exam. This workbook will be provided (at no extra cost) to candidates in our Sharp Last-Six-Weeks CFA Level II 2012 Sample Questions Review. Appropriate portions provided for each class.
9. **SHARP CFA® LEVEL II 2012 IN-CLASS PRACTICE EXAM®** **UPDATED FOR 2012.**
Dr. Sharp will develop a three-hour in-class (not take-home) SHARP CFA Level II 2012 Practice Exam®. This in-class Practice Exam will have 72 questions and cover all CFA Level II curriculum topic areas. Working through this in-class Practice Exam can give candidates a feel for the actual Exam and indicate areas where additional final study is needed. In previous years, candidates who did well on our in-class CFA Level II Practice Exam generally passed the actual CFA Level II Exam, while candidates who did poorly generally failed the actual Exam. Candidates in our Sharp CFA Level II Comprehensive Workshop and/or our Sharp Last-Six-Weeks CFA Level II Sample Questions Review can take this in-class Practice Exam.
10. **HANDS-ON CLASSES – USE HP-12C OR TI-BAIL PLUS FINANCIAL CALCULATOR**
Workshop portions of each class provide immediate reinforcement of important concepts by working relevant Problems. HP-12C or TI-BAIL Plus financial calculator is required. We believe the HP-12C is easier to use for some difficult CFA topics (using special simple procedures developed by SHARP SEMINARS In NY). However, if you currently use the TI-BAIL Plus, and like it, go ahead and use it in our classes and for your exam. There will be HP-12C and TI-BAIL Plus discussions at appropriate points throughout the classes, including capital budgeting and bond calculations.
11. **CONVENIENT COURSE LOCATION IN MIDTOWN MANHATTAN (NEAR GRAND CENTRAL)**
Jolly Hotel Madison Towers is at 22 East 38th Street (at Madison Avenue). Go to 42nd Street Grand Central, then walk four short blocks south. Go up marble staircase at rear of lobby to Second (Mezzanine) Floor. SHARP SEMINARS In NY assistant inside for check-in.
12. **IF YOU DO NOT PASS CFA® LEVEL II 2012 EXAM, MAJOR DISCOUNT FOR CFA® LEVEL II 2013 COURSE**
If unfortunately, you do not pass the CFA Level II 2012 exam, despite taking our Sharp CFA Level II 2012 Course (and do not withdraw), you can deduct 40% to 50% from the price of the Sharp CFA Level II 2013 Course next year (40% discount for one part, 50% discount for both parts).

Course 2. SHARP CFA LEVEL II 2012 COMPREHENSIVE LECTURE/WORKSHOP

This popular 15-class session (plus in-class Practice Exam) Sharp CFA Level II 2012 Comprehensive Lecture/Workshop with PASS OR MONEY BACK Provision (see terms and conditions on page 1) is designed to provide an excellent review of all the topics assigned for the CFA Level II Exam. Dr. Sharp is the instructor. He has examined and synthesized the vast amount of CFA Level II curriculum material, and provides a review of the essential concepts in a compact and understandable way. Each of the 15 class sessions is extremely well organized from beginning to end (the full period is normally utilized), so that the time you spend in class can be highly productive. Most questions that you have can generally be covered before class, or during the workshop portions of each class, or outside of class using E-mail assistance with Dr. Diamond or our teaching assistants. You have the flexibility of switching class days in this Comprehensive Lecture/Workshop to avoid missing any class sessions.

Dr. Sharp has written, and will extensively update, ten CFA Level II 2012 SharpNotes® [(1) CFA Level II Quant, (2) CFA Level II Econ, (3) CFA Level II Accounting, (4) CFA Level II Corporate Finance, (5) CFA Level II Equity, (6) CFA Level II Fixed Income, (7) CFA Level II Portfolio, (8) CFA Level II Derivatives, (9) CFA Level II Ethics, and (10) CFA Level II Alternative Investments], that will be provided (at no extra cost) for those in this Comprehensive Lecture/Workshop (at appropriate times during the classes), and will be utilized during the lecture/workshop classes. If you enroll early (more than two weeks in advance), some of these SharpNotes® can be provided to you early, so you can get a head start. Dr. Sharp's ten CFA Level II 2012 SharpNotes contain a summary outline (extensively improved and updated each year) of important CFA Level II curriculum topics (that cover the CFA Level II Learning Outcome Statement objectives). These ten CFA Level II 2012 SharpNotes allow a tremendous amount of CFA Level II material on quant, economics, accounting, corporate finance, equity, fixed income, portfolio analysis, derivatives, ethics, and alternative investments to be efficiently and effectively covered in the classes. A very important function is to serve as in-class workbooks. Students will work out several CFA Level II type problems during each class (except Ethics). New problems based on the new CFA Level II curriculum assignments are included. HP-12C or TI-BAll Plus financial calculator is required.

Despite the excellence of this Sharp CFA Level II 2012 Comprehensive Lecture/Workshop, success on the CFA Level II Exam will usually require considerable additional work outside of class, in addition to considerable work in class. After a topic has been covered in a lecture/workshop session, the important CFA Level II concepts should be further reinforced by review of the relevant CFA Level II curriculum topics and by working relevant exercises outside of class. Dr. Sharp has prepared about 3,000 CFA oriented self-testing multiple choice exercises (with answers) that are designed to cover important CFA Level II curriculum topics. Exercises are updated each year with new questions, based on the new CFA Level II curriculum assignments. The exercises are included in Dr. Sharp's ten CFA Level II 2012 SharpNotes.

There are eight sections of this popular Sharp CFA Level II 2012 Comprehensive Lecture/Workshop (early-start recommended).

Dr. Sharp is the instructor. Each of the 6 class sessions is well organized from beginning to end (the full period is normally utilized), so that the time you spend in class can be highly productive. Exam strategy will be discussed. As a bonus, students in this course can take a three hour in-class Practice Exam on Sunday, May 27, 2012 (six-days before the actual CFA Level II Exam) or on Monday, May 28, 2012 (five-days before the actual CFA Level II Exam), testing all topics, Ethics through Portfolio, to improve their in-class test taking skills.

SHARP CFA Level II 2012 Sample Questions® will be provided for those in this Sample Questions Review (different parts at appropriate times during the review). HP-12C or TI-BALL Plus financial calculator is required.

Normally, most of the students in this Sharp CFA Level II Sample Questions Review took our Sharp CFA Level I Sample Questions Review the previous year, and found it to be so helpful in passing the CFA Level I Exam, they continued at CFA Level II.

I realize there is an extra charge of \$10 for anyone who does not register (including payment) prior to the first class. You want to check-in people as efficiently as possible, which is much easier if some administrative details can be taken care of in advance.

I also realize there is a full refund (less a \$50 processing charge and less the price of any SharpNotes® provided early) if written request received by you at least two weeks prior to start of my course, but no full refund after that unless application rejected. If written request received at least two weeks prior to the start of one of the parts in a combination, a partial incremental refund (less a \$50 processing charge) will normally be provided for that part, but depends on the circumstances and is at the discretion of SHARP SEMINARS In NY. I realize that any refund will be paid to my employer if they paid you directly and/or if I request a receipt for payment.

For each part I am taking, I have indicated the desired section above. I understand that in addition to the scheduled classes, the fee will entitle me to the revised and updated copies of Dr. Sharp's ten CFA Level II 2012 SharpNotes®, SHARP CFA Level II 2012 Weekly Take-Home Quizzes®, and/or SHARP CFA Level II Sample Questions® that are appropriate for the part(s) I am taking. I agree that it is important to allocate sufficient time and make a conscientious effort, both in class and outside of class.

I also understand that if unfortunately I do not pass the CFA Level II 2012 exam, despite taking the Sharp CFA Level II 2012 Course (and do not withdraw), I can deduct 40% to 50% from the price of the Sharp CFA Level II 2013 Course (40% discount for one part, or 50% discount for both parts).
