WHY DO WE BELIEVE SHARP CFA LEVEL I COURSE IS THE BEST?

Ask our students (or see student comments, or consider the twelve reasons indicated below and the on the next page). Those who usually praise our Sharp CFA Level I Course the most have previously attended other CFA Level I courses and say that our course is much better. Unlike other courses that are principally lecture format, our lecture/workshop classes blend lecture and extensive problem solving. We believe this makes our students more prepared for the questions on the CFA Level I Exam, and feel more confident about passing. Most of our successful Sharp CFA Level I students show their enthusiasm for our course by going on to take our Sharp CFA Level II Course.

SHARP SEMINARS limits CFA Level I Course enrollments to no more than 20 students in each section. We do not have 200 students, trying to listen to someone who is far away and difficult to interact with, and who just lectures for the entire period.

The December 3, 2011 CFA Level I Exam is only two months away, but you still have time to prepare for this difficult exam. We have Sharp CFA Level I Fall 2011 Course sections that start in October.

We believe the more you know about CFA Level I courses, the greater the likelihood that you will attend the Sharp CFA Level I Course. Twelve important reasons for the high praise of the Sharp CFA Level I Course are indicated below and on next page.

1. PASS OR MONEY BACK (if terms and conditions satisfied)

CFA Level I Candidate who takes the 15-Class Session Sharp Comprehensive Lecture/Workshop for the December 2011 CFA Level I Exam and still fails the December 2011 CFA Level I Exam will receive a refund (refund will be paid to employer if employer pays directly and/or there is a request for receipt) of the amount paid for this 15-Class Session Lecture/Workshop (minus a \$400 charge for materials provided) if the following terms and conditions are met: (1) Attend entire class for all 15 Class Sessions; (2) Turn in each of the 14 Weekly Take-Home Quizzes the following class, and achieve an average score of 70% or more; (3) Take the In-Class Practice Exam at the scheduled time, and achieve a score of 70% or more; and (4) Take the December 2011 CFA Level I Exam and fail (and provide copy of results to SHARP SEMINARS within 30 days after results provided by CFA Institute).

2. FLEXIBILITY TO SWITCH CLASS DAYS

Candidates in our Sharp CFA Level I Comprehensive Lecture/Workshop have the flexibility to switch class days (among Tuesday evening, Sunday afternoon, and Sunday evening) in order to avoid missing a class. Also, candidates in our Sharp CFA Level I Sample Questions Review have the flexibility to switch class days (between Tuesday evening and Sunday afternoon).

3. PROVIDE DISCIPLINE AND MOTIVATION FOR CFA® LEVEL I CANDIDATES

CFA Level I Exam is difficult. The pass rate on the December 2010 Exam was only 36%. In a letter to candidates, CFA Institute blamed this low pass rate on insufficient study time and failure to master the assigned CFA Level I curriculum material. We believe our Sharp CFA Level I Course is an important aid in providing discipline for CFA Level I candidates, and motivation for them to follow through with their exam preparation and actually take the CFA Level I Exam. Clearly, a number of factors affect the success of a CFA Level I candidate on the CFA Level I Exam, and their satisfaction with a CFA Level I Exam Preparation Course. However, in recent years, the candidate reported level of satisfaction for those who took the Sharp CFA Level I Comprehensive Lecture/Workshop has been high (based on responses to questionnaire).

4. MORE THAN 20 YEARS OF CFA® EXAM PREPARATION EXPERIENCE

Dr. Sharp is a CFA charterholder (also CMA and CFM) who now devotes more than full time effort to SHARP SEMINARS. Dr. Sharp was a Professor Of Finance & Assistant Finance Chairman and taught very popular MBA courses in Financial Statement Analysis, Investment Analysis, and Portfolio Management. He previously taught courses in Financial Accounting (basic, intermediate, and advanced), Economics (graduate level), and Quantitative Analysis (undergraduate and graduate) at Rutgers, NYU Stern School, and Pace Lubin School. He understands all of the CFA Level I topics, their interrelationships, and how they need to be integrated for CFA Level I Exam questions. Dr. Sharp has taught weekly CFA courses in New York longer than anyone else (more than twenty years with SHARP SEMINARS). Dr. Sharp has published many articles and spoken at many conferences. He is in Who's Who in America, Who's Who in Finance, and Who's Who in American Education. He has received several ICFA Certificates Of Achievement for participation in the CFA Continuing Education Program. In his spare time, Dr. Sharp manages multi-million dollar stock portfolios. He also manages the Professor J. Franklin Sharp Charitable Foundation. Dr. Sharp has been honored by Purdue University as an OUTSTANDING ALUMNUS.

5. SHARP TEN CFA® LEVEL I 2011 SHARPNOTES® **UPDATED FOR 2011.**

Ten CFA Level I 2011 SharpNotes® [(1) CFA Level I Quant, (2) CFA Level I Econ, (3) CFA Level I Accounting, (4) CFA Level I Corporate Finance, (5) CFA Level I Equity, (6) CFA Level I Fixed Income, (7) CFA Level I Portfolio, (8) CFA Level I Derivatives, (9) CFA Level I Ethics, and (10) CFA Level I Alternative Investments] will allow CFA Level I topics to be efficiently and effectively covered in class. Review of new CFA Level I curriculum assignments (with new Learning Outcome Statement objectives) will be included. New Problems and Exercises based on the new assignments will also be included. Ask previous students about the value of the CFA Level I SharpNotes in preparing for the CFA Level I Exam. After taking our Sharp CFA Level I Comprehensive Lecture/Workshop, most of our successful CFA Level I students say they use the SharpNotes extensively in their final preparation for the CFA Level I Exam (along with our SHARP Sample Questions®). These SharpNotes® will be provided (at no extra cost) to candidates in our Sharp CFA Level I 2011 Comprehensive Lecture/Workshop. If you enroll early (more than two weeks in advance), some of the SharpNotes® can be sent to you early, so you can get a head start.

6. SHARP CFA® LEVEL I 2011 SELF-TESTING EXERCISES® **UPDATED FOR 2011.**

These Exercises will allow additional reinforcement of CFA Level I 2011 topics outside of class. There will be about 3,000 CFA Level I oriented self-testing multiple choice exercises (with answers), designed to cover all important CFA Level I topics. The Exercises will be included in the CFA Level I 2011 SharpNotes®. Exercises are updated each year to include new questions based on the new CFA Level I curriculum assignments (with new Learning Outcome Statement objectives — a lot of new CFA Level I material every year). We strongly recommend that you thoroughly work the Exercises.

7. SHARP CFA® LEVEL I 2011 MOCK EXAMS® **UPDATED FOR 2011.**

SHARP SEMINARS IN NY will develop two three-hour SHARP CFA Level I 2011 Mock Exams®. These mock exams are designed to be at the level of difficulty of the recent difficult CFA Level I Exams. Each of the two mock exams has 120 questions, for a total of 240 questions. Each of the two mock exams covers all of the CFA Level I curriculum topics [Ethics, Quant, Economics, Financial Statement Analysis, Valuation (Equity, Fixed Income, Derivatives, and Alternative Investments), and Portfolio Management], with the same weighting as the actual exam. Answers and worked-out solutions will be provided for all of the questions. Working through each of these mock exams in the scheduled time can give candidates a feel for the actual exam and indicate areas where additional study is needed. These Mock Exams will be provided (at no extra cost) to candidates in our Sharp CFA Level I 2011 Comprehensive Lecture/Workshop.

8. SHARP CFA® LEVEL I 2011 SAMPLE QUESTIONS® **UPDATED FOR 2011.**

Dr. Sharp will develop about 1,600 additional CFA Level I 2011 Sample Questions that will be in our SHARP CFA® Level I 2011 Sample Questions®. This workbook has one or more Sample Questions covering each of the more than 650 CFA Institute CFA Level I 2011 Learning Outcome Statements. These questions summarize what you are assigned for your CFA Level I Exam. Answers and worked-out solutions will be provided for all questions. This workbook can provide an excellent final review for the CFA Level I Exam. This workbook will be provided (at no extra cost) to candidates in our Sharp Last-Six-Weeks CFA Level I 2011 Sample Questions Review. Appropriate portions provided for each class.

9. SHARP CFA® LEVEL I 2011 IN-CLASS PRACTICE EXAM® **UPDATED FOR 2011.**

Dr. Diamond will develop a three-hour in-class (not take-home) SHARP CFA Level I 2011 Practice Exam®. This Practice exam is designed to be at the level of difficulty of the recent difficult CFA Level I Exams. This in-class Practice Exam has 120 questions and covers all the CFA Level I curriculum topics. Working through this in-class Practice Exam can give candidates a feel for the actual exam and indicate areas where additional final study is needed. Candidates in our Sharp CFA Level I Comprehensive Workshop and/or our Sharp Last-Six-Weeks CFA Level I Sample Questions Review can take this in-class Practice Exam.

10. HELP AVAILABLE FROM DR. DIAMOND AND SHARP SEMINARS IN NY TEACHING ASSISTANTS

Dr. Harold Diamond (CFA Charterholder, also Ph.D. Economics & Quant, CMA) is the instructor for the Sharp CFA Level I Comprehensive Lecture/Workshop. Dr. Diamond and/or SHARP SEMINARS IN NY teaching assistants are available before class, and even during the workshop portions of each class, to provide additional help to the students in our classes. Outside of class, E-mail assistance is available from Dr. Diamond Monday-Thursday for our currently enrolled students.

11. HANDS-ON CLASSES — USE HP-12C OR TI-BAIL PLUS FINANCIAL CALCULATOR

Workshop portions of each class provide immediate reinforcement of important concepts by working relevant Problems. HP-12C or TI-BAIL Plus financial calculator is required. We believe HP-12C is easier to use for some difficult CFA Level I topics (using special simple procedures developed by SHARP SEMINARS IN NY). However, if you currently use the TI-BAIL Plus, and like it, go ahead and use it in our classes and for your exam. First class session of Comprehensive Lecture/Workshop emphasizes how to use HP-12C and TI-BAIL Plus. There will be additional HP-12C and TI-BAIL Plus discussions at appropriate points throughout the classes, including capital budgeting and bond calculations.

12. IF YOU DO NOT PASS CFA® LEVEL I DECEMBER 3, 2011 EXAM, MAJOR DISCOUNT CFA® LEVEL I COURSE FOR NEXT EXAM

If unfortunately, you do not pass the CFA Level I December 3, 2011 Exam, despite taking our Sharp CFA Level I 2011 Course (and do not withdraw), you can deduct 40% to 50% from the price of the Sharp CFA Level I Course for the June 2012 CFA Level I Exam, or for December 2012 CFA Level I Exam (40% discount for one part, 50% discount for both parts).

STUDENT COMMENTS RECEIVED

SHARP SEMINARS IN NY – CFA® LEVEL I COURSES

Comments From Our CFA Level I Candidates

- Kim C. "I thought Sharp was a great course and there were no surprises in the exam, based on the material we covered in class. I am looking forward to signing up for Level 2 with Sharp."
- Daniel D. "The instructor went over everything that was likely to be on the test. The instructor worked through examples and problems, which was very helpful. The review class was key in that it tied everything together and had a question on every LOS."
- Chris H. "I am pleased to inform you that I passed December 2008 CFA Level I exam. There has been only a handful of feats that I have accomplished in my life up to this point that parallel this and I am confident that I couldn't have done it without completing your program. To be honest, I don't think I would have known where to start without you. The chapter notes, the practice questions and mock exam were absolutely phenomenal. I will undoubtedly be using your program again and I recommend it to everyone that I speak with who is planning to take the exams. Thank you."
- Q.C. Zheng "Thank you for your help! I got >70% in every topic."
- Jennifer A. "Good overall review of the material."
- Henry C. "The notes were helpful, the lectures were key. Also, I thought just going through examples was very important as it helped to identify details that may have been confusing."
- Ralph D. "Problems very helpful for understanding concepts."
- William G. "Thank you for the great instruction I received at your Level I Course. I could not have passed the exam without the course. The SharpNotes were great as well as Last 6 Weeks Review. The new material for eethics and corporate governance was right on the money. See you at Level 2 Course and again, thank you."
- Gregory N. "I think the class was very well organized and well taught. You do a good job of keeping your students on track and help provide the necessary material to pass. Thanks a lot! Wouldn't Have Passed W/out Sharp!"
- Anthony P. "The sample questions were thorough. Covering them, I felt like I was exposing myself to all the important material."
- Stephen P. "I passed the Level I exam. your classes were no doubt a large factor in effort and result."

- Brian W. "Enjoyed format/pace of Sample Questions class. Practice exam was excellent preparation."
- Wen C. "Sample Exam Questions are well designed." "This course is very well organized and covers all the LOS for the exam. I think it was very useful."
- Kimberly H. "Organization of the material was great — it was a good timeline to work with for the exam. All the practice problems, mock exam questions were extremely helpful in preparation for the exam."
- Neal C. "The practice questions and exams. Very helpful! Also, the instructor knew which topics to 'gloss over' and which to concentrate on. This was very helpful from a time allocation perspective. Lastly, the flexibility of the program was crucial — being able to attend alternative classes ensured that one wasn't 'left behind' if he/she missed a class."
- Peter G. "The SharpNotes were invaluable. Also, the abundance of questions really helped me to prepare."
- Virginia H. "(1) I work better with the gradual pace of the Sharp Courses versus the cram of the one week courses.
(2) Dr. Diamond was excellent — knew the material very well, has a wonderful dry sense of humor, low key approach. But he definitely cared that we studied hard and did well!
(3) The books help explain the concepts very well."
- Jasmine Z. "The seminars broke down long complicated subjects into simple, smaller components that were much easier to understand and practice on. The sample exam questions reinforced answers to the Learning Outcome Statements."

Course 1. SHARP CFA LEVEL I 2011 FALL COMPREHENSIVE LECTURE/WORKSHOP

This popular 15-class session (plus in-class Practice Exam) with PASS Or MONEY BACK Provision# Sharp CFA Level I 2011 Fall Comprehensive Lecture/Workshop is designed to provide an excellent review of all the topics assigned for the CFA Level I Exam. Dr. Diamond is the instructor. Dr. Sharp has examined and synthesized the vast amount of CFA Level I curriculum material, and provides a review of the essential concepts in a compact and understandable way in the SharpNotes. These are not a rehash of PowerPoint slides shown in class. Nor are our students required to spend \$300 to buy another provider's Notes. Rather, SharpNotes provide a summary of the material plus exercises to test learning. E-mail assistance with Dr. Diamond is available. You have the flexibility of switching class days in this Comprehensive Lecture/Workshop to avoid missing any class sessions.

Dr. Sharp has written, and has extensively updated, ten CFA Level I 2011 SharpNotes® [(1) CFA Level I Quant, (2) CFA Level I Economics, (3) CFA Level I Accounting, (4) CFA Level I Corporate Finance, (5) CFA Level I Equity, (6) CFA Level I Fixed Income, (7) CFA Level I Portfolio, (8) CFA Level I Derivatives, (9) CFA Level I Ethics, and (10) CFA Level I Alternative Investments], that will be provided (at no extra cost) for those in this Comprehensive Lecture/Workshop (at appropriate times during the classes), and will be utilized during the lecture/workshop classes. If you enroll early (more than two weeks in advance), some of these SharpNotes® can be provided to you early, so you can get a head start. Dr. Sharp's ten CFA Level I 2011 SharpNotes contain a summary outline (extensively improved and updated each year) of important CFA Level I curriculum topics (that cover the CFA Level I Learning Outcome Statement objectives). These ten CFA Level I 2011 SharpNotes serve as in-class workbooks. They provide a review of assigned topics plus thousands of practice questions. The classes help to keep students on-schedule with their review of exam topics. Lots of testing advice is interspersed along with advice on effective use of a financial calculator. Students will work out several CFA Level I Exam-type problems during each class. Problems based on new CFA Level I assignments are included.

HP-12C or TI-BALL Plus financial calculator is required for the lecture/workshop classes (especially important for first Quant class). We believe HP-12C is easier to use for some difficult CFA Level I topics (using special simple procedures developed by SHARP SEMINARS).

Despite the excellence of this Sharp CFA Level I 2011 Fall Comprehensive Lecture/Workshop, success on the CFA Level I Exam will usually require considerable additional work outside of class, in addition to considerable work in class. After a topic has been covered in a lecture/workshop session, the important CFA Level I concepts should be further reinforced by review of the relevant CFA Level I curriculum topics and by working relevant exercises outside of class. Dr. Sharp has prepared about 3,000 CFA Level I oriented self-testing multiple choice exercises (with answers) that are designed to cover all important CFA Level I curriculum topics. Exercises are updated each year based on the new CFA Level I curriculum assignments. The exercises are included in Dr. Sharp's ten CFA Level I 2011 SharpNotes.

There are ten sections of this popular Sharp CFA Level I 2011 Fall Comprehensive Lecture/Workshop (*first-chance recommended*).

Rigor Of CFA Program

In general, each level of the CFA Program requires a minimum of 300 hours of preparation, although time will vary from candidate to candidate based on familiarity with the material.

Learning outcome statements are meant only as a guide to the most important knowledge, skills and abilities to be gained in the readings.

CFA Program reading assignments compose the core of study. Prep Provider courses and materials are developed to complement the core curriculum and to facilitate the learning process, not to be used as a substitute for study of the prescribed curriculum.

Course 1q. SHARP CFA LEVEL I 2011 FALL LAST-SIX-WEEKS SAMPLE QUESTIONS REVIEW

In this popular 6-class session plus In-Class Practice Exam Sharp CFA Level I 2011 Last-Six-Weeks Sample Questions Review, we will work out and discuss selected Sample Questions from the SHARP SEMINARS CFA Level I 2011 Sample Questions® workbook. This workbook has about 1,600 CFA Level I 2011 Sample Questions developed by Dr. Sharp. There will be one or more Sample Questions that cover each of the more than 650 CFA Institute CFA Level I 2011 Learning Outcome Statements. A portion of the workbook will be provided each week. These Sample Questions summarize what you are assigned for your CFA Level I Exam. Answers and worked-out solutions will be provided for all Sample Questions. Working these Sample Questions can provide an excellent final review for the CFA Level I Exam on December 3, 2011.

Dr. Diamond is the instructor. Each of the 6 class sessions is well organized from beginning to the end (the full period is normally utilized), so that the time you spend in class can be highly productive. HP-12C or TI-BAll Plus financial calculator is required. We believe the HP-12C is easier to use for some difficult CFA Level I topics (using special simple procedures developed by SHARP SEMINARS). However, if you currently use the TI-BAll Plus, and are happy with it, go ahead and use it in our classes and for your Exam.

The SHARP SEMINARS CFA Level I 2011 Sample Questions® will be provided (at no extra cost) for those in this Sample Questions Review (different parts at appropriate times during the review).

Normally, most of the successful students in this Sharp CFA Level I Sample Questions Review find it to be so helpful in passing the CFA Level I Exam, they take the Sharp CFA Level II Sample Questions Review the following year.

We will offer only one section of this Fall Last-Six-Weeks Sample Questions Review. We will meet from 5:30 to 8:40 PM on five Wednesday evenings (Wednesday, October 19 through Wednesday, November 16) and one Tuesday evening, November 22.

Price For Sample Questions Review

Price for this Sharp CFA Level I 2011 Fall Last-Six-Weeks Sample Questions Review is \$620 if valid application and payment received in October, 2011 (if space and course materials are still available).

(indicate desired sections above)

	<i>Price</i>	<i>Savings</i>
_____ Parts 1 and 1q	\$1,790	(\$270 to \$290)

I realize there is an extra charge of \$10 for anyone who does not register (including payment) prior to the first class. You want to check-in people as efficiently as possible, which is much easier if some administrative details can be taken care of in advance.

I also realize there is a full refund (less a \$50 processing charge and less the price of any SharpNotes® sent out early), if written request received by you at least two weeks prior to start of my course, but no full refund after that unless application rejected. If written request received at least two weeks prior to the start of the later part in a combination, a partial incremental refund (less a \$50 processing charge) will normally be provided for that part, but depends on the circumstances and is at the discretion of SHARP SEMINARS IN NY. I realize that any refund will be paid to my employer if they paid you directly and/or if I request a receipt for payment.

For each part I am taking, I have indicated the desired section above. I understand that in addition to the scheduled classes, the fee will entitle me to the revised and updated copies of Dr. Sharp's ten CFA Level I 2011 SharpNotes®, SHARP SEMINARS CFA Level I 2011 Mock Exams®, and/or SHARP SEMINARS CFA Level I 2011 Sample Questions® that are appropriate for the part(s) I am taking. I agree that it is important to allocate sufficient time and make a conscientious effort, both in class and outside of class.

I also understand that if unfortunately I do not pass the CFA Level I December 3, 2011 Exam, despite taking the Sharp CFA Level I 2011 Course (and do not withdraw), I can deduct 40% to 50% from the price of the Sharp CFA Level I Course for the June 2012 or December 2012 CFA Level I Exam (40% discount for one part, or 50% discount for both parts).
