Each year, thousands of hours and many tens of thousands of dollars go into revisions, updates, extensions, and other improvements. New CFA Level I assignments (with new Learning Outcome Statement objectives) are included. New Problems and Exercises based on the new assignments are also included.

Ask previous students about the value of the CFA Level I SharpNotes in preparing for the CFA Level I Exam. After taking our Sharp CFA Level I Course, many of our successful CFA Level I students say they use the SharpNotes® almost exclusively in their final preparation for the CFA Level I Exam, along with our SHARP SEMINARS Sample Questions®. These SharpNotes® will be provided (at no extra cost) to candidates in our Sharp CFA Level I 2011 Comprehensive Lecture/Workshop.

## DR. SHARP'S CFA LEVEL I 2011 SELF-TESTING EXERCISES®

**Will Be Updated for 2011.**

These Exercises will allow additional reinforcement of CFA Level I 2011 topics outside of class. There will be about 3,000 CFA Level I oriented self-testing multiple choice exercises (with answers), designed to cover all important CFA Level I topics. The Exercises will be included in the CFA Level I 2011 SharpNotes®. Exercises are updated each year to include new questions based on the new CFA Level I assignments (with new Learning Outcome Statement objectives — a lot of new CFA Level I material every year). We strongly recommend that you thoroughly work through the Exercises.

## Rigor Of CFA Program

In general, each level of the CFA Program requires a minimum of 250 hours of preparation, although time will vary from candidate to candidate based on familiarity with the material.

Learning outcome statements are meant only as a guide to the most important knowledge, skills and abilities to be gained in the readings.

CFA Program reading assignments compose the core of study. Prep Provider courses and materials are developed to complement the core curriculum and to facilitate the learning process, not to be used as a substitute for study of the prescribed curriculum.

SHARP SEMINARS follows CFA Institute Prep Providers Guidelines.
