New Problems and Exercises based on the new assignments (with new Learning Outcome Statement objectives) and the most recent CFA Level III Exam are also included.

Ask previous students about the value of these CFA Level III SharpNotes in preparing for the CFA Level III Exam. After taking our Sharp CFA Level III Course, many of our successful CFA Level III students say they have used the SharpNotes® almost exclusively in their final preparation for the CFA Level III Exam, along with our SHARP SEMINARS Sample Questions®. These SharpNotes® will be provided (at no extra cost) to candidates in our Sharp CFA Level III 2011 Comprehensive Lecture/Workshop.

DR. SHARP'S CFA® LEVEL III 2011 SELF-TESTING EXERCISES®

Will Be Updated for 2011.

These Exercises will allow additional reinforcement of CFA Level III 2011 topics outside of class. There will be about 2,500 CFA oriented self-testing multiple choice exercises (with answers), designed to cover important CFA Level III topics. The Exercises will be included in the CFA Level III 2011 SharpNotes®. Exercises are updated each year to include new questions based on the new CFA Level III assignments (with new Learning Outcome Statement objectives—a lot of new CFA Level III material every year). “Essay” type questions are provided in a multiple choice format, that permits self-testing. We strongly recommend that you thoroughly work through the Exercises.

Rigor Of CFA Program

In general, each level of the CFA Program requires a minimum of 250 hours of preparation, although time will vary from candidate to candidate based on familiarity with the material.

Learning outcome statements are meant only as a guide to the most important knowledge, skills and abilities to be gained in the readings.

CFA Program reading assignments compose the core of study. Prep Provider courses and materials are developed to complement the core curriculum and to facilitate the learning process, not to be used as a substitute for study of the prescribed curriculum.
